Important:

✓ This Container [as described above] is the only Authorized Container to send your equipment with Florida Conference Pathfinders for transportation to the 2024 BTP Camporee.

✓ We are limited to 55 Containers per Semi-Truck for Florida Conference Pathfinder Clubs.

✓ Container lid must be able to fit tightly over the Container. Contents MUST fit IN the Container.

✓ The Truck Company is NOT allowed to transport any of the following items:

liquids, flammables, combustible, gas, propane tanks (full or empty), lighters, matches, paints, aerosols, batteries (of any kind), etc. A whole list will be provided in an additional doc.

✓ Containers will be delivered to the Loading Sites. [Containers will NOT be shipped to your Club/church] Each Club that purchases a Container will bring their gear to the loading site; only the items that fit in the Container will be loaded onto the truck; we encourage clubs to gather their gear into a pile to estimate how much equipment will fit into the Container (46" Long x 38" Wide x 36" High).
